

# Reading Beyond the Page: Implementing Close Reading to Student Comprehension

Full Day Workshop - June 8, 2022 - 9:00-4:00 PM CST

REGISTER NOW

**74%** of struggling readers  
won't catch up after 3rd grade.

**We can build reading habits that support comprehension through the practice of Close Reading.**

Research shows that the complexity of text students read is the greatest predictor of success in college and those entering the workplace. Unfortunately, **many students struggle with complex texts** written at their grade level as defined by the core standards and are **grade levels below** in reading comprehension.
