Now is the perfect time to ask students to explore the powers of narrative writing! Join Carrie in this fun session where we explore mini-lessons for both personal narrative and fiction writing. Relevant writing tasks are engaging and offer teachers a chance to authentically glimpse their students' abilities (and inner-worlds).

Workshop Agenda

- Explore mini-lessons relevant to personal narrative writing as well as fictional writing
- Learn new strategies for teaching students to brainstorm for narrative
- Discover helpful questioning and feedback techniques that encourage detail and development in writing
