

### **IAESC PROCUREMENT STATEWIDE SCHOOL BUS PROGRAM**

IAESC Procurement is very pleased its Statewide School Bus Program is booming. **Purchase Periods begin 2/1 and expire on 1/31 of the following year.** Option pricing may be amended one time during the agreement period in the month of August to reflect new model year offerings. If your corporation will be purchasing buses in the upcoming year, please contact us. We will be happy to assist you and/or your transportation director in building a bus. Trade-ins will be evaluated prior to purchase. Here at IAESC Procurement, we ARE the system that makes the difference for you. When your corporation purchases your school bus through IAESC Procurement, know that we stand behind you completely. We ensure our bidding procedures have met all bidding requirements and laws as set forth by the Indiana State Board of Accounts. We will assume liability on your corporations' behalf at audit time. So, if you are working with the one of the vendors directly: Kerlin Bus Sales, Midwest Transit or MacAllister, let them know you wish to utilize and have your bus build completed within IAESC Procurement. Also, this is the 10th bid period that the statewide bus program has been available, with over 80% of the Indiana School Corporations participating, 1,000+ plus buses, and over \$100 million in purchases through the system since offering the service in the Fall of 2011. If you are thinking about purchasing a bus, please contact your Procurement Specialist.
