# HIGH ABILITY & STEM DAY

**FREE**

[REGISTER](#)

*Join the IDOE STEM and High Ability teams as they offer in-person events across the state to support educators' work in these focus areas.*

**HIGH ABILITY EDUCATORS** will participate in a full day of interactive learning that explores the five dimensions of differentiation focusing on a cross-disciplinary instructional approach.

**K-8 STEM TEAMS** will learn about the STEM certification process and updated rubric, hear from schools who have recently went through this process, and network with other schools as you work on your school-wide STEM goals and plans.
