Workshop Agenda

- **Explore the 2020 Mathematics Standards in reference to their impact on coherence in the sequence of Algebra 1 through Algebra 2**
- **Examine the deeper understanding of how these new standards can be taught conceptually to promote true understanding by students**
- **Determine how these shifts in standards will impact your scope and sequence and pacing for each course.**

Laurie Ferry, CIESC Director of Professional Learning

- Former Math Teacher, MS & HS Principal
- Prior to CIESC served as K-12/STEM Specialist for IDOE
- Served on national & state instructional standards, next generation, assessment organizations
- Presented at state, national and international conferences
- 30 years of educational experience and provided PD to over 20,000 educators
