Dear Commercial Food Systems, Inc:

Congratulations, the West Central Indiana Educational Service Center Executive Board approved May 14, 2020 to award the Specialty Bid for the 2020-21 West Central Indiana Educational Service Center Cooperative Commodity Bid Program (WCIESC-CBP), for the West Central Indiana Education Service Center members and associate members to your company Commercial Food Systems. This bid will begin July 1, 2020 and end June 30, 2021 with the option for rollover.

This was the overall best bid when analyzed. We have gone over the full documentation of bid and check all aspects of it completely. The Food Service Directors made a recommendation to the Executive Board of WCIESC and they have voted in favor of accepting this bid and recommended it to the Governing Board and they have also voted in favor of accepting the bid.

We look forward to making plans to building an excellent working relationship. If you should have any questions, please feel free to call me.

Regards,
