

WCIESC presents

Best Practices for Math K-5 Presented by Laurie Ferry

You will walk away with specific strategies you can take back to your classroom related to the 8 Math Teaching Practices and learn how to integrate those practices into your current teaching style. Also, you will learn from the experts in the field of mathematics education, John Hattie, Jo Boaler, Dan Meyer and many others.

Where: Ivy Tech Greencastle

When: January 20, 2021

Time: 9:00 – 3:00 – Registration to begin at 8:30 with lunch on your own

Cost: \$125 for members/\$250 for non-members
